

NEW HAMPSHIRE FOSTER CARE

There are nearly **1,000** children and young adults in NH foster care.

36% reunified with family during 2020.

About **200** have the goal of Adoption

Data is based on 2020 report from the Children's Bureau

Foster care in NH impacts hundreds of children each year. Ascentria partners with the NH Department of Children, Youth and Families (DCYF) to provide specialized foster care and stabilization services through our Therapeutic Family Connections program. Read on for statewide data on kids in care.

Main Points:

As a private foster care agency working with the state, Ascentria's TFC program is small but mighty! We serve about 40 children each year.

We are urgently working to recruit, train & license at least 6 new foster parents per year.

How can you help?

. The need for foster parents is urgent. Become a foster parent or help us spread the word about the need for foster homes. Visit our website to learn more:
