OUR MISSION

We are called to strengthen communities by empowering people to respond to life's challenges.

Making a difference in the lives of others!

Imagine a thriving community where everyone has the opportunity to achieve their full potential regardless of background or disadvantage. What if you could make this happen? What would you do to help?

Opportunities abound at Ascentria Care Alliance

Join us in empowering individuals and families to reach beyond their current circumstances and realize new possibilities. Through our holistic model of care, we inspire people to discover their potential, move forward and thrive. But we can't do it alone. We need partners like you to help us along the way.

Every gift counts

Your donation — no matter what the size — will make a difference in the lives of others. Whether a struggling teen mom who needs support to succeed in school while she learns to care for her baby; a refugee who needs help learning English and finding a job in his new land so he can support his family; or an elderly person who, with companionship, can remain in her home and part of her community; your compassionate generosity will provide each of them with the tools and resources they need for a bright future.

Please consider making an empowering donation today. To give online, visit ascentria.org. Thank you for your support!
