Who we are

Formed in 1996, Good News Garage of Vermont created a low-income car ownership model that provides transportation solutions for low-income working families. Since 1996, we have awarded more than 4,000 cars to New England families. Our goal is to increase opportunities for our clients to move out of poverty and into financial and social stability. Good News Garage is a member of Ascentria Care Alliance based in Worcester, Massachusetts.

What we do

When was the last time REPAIRING your car actually helped to CHANGE lives?

Repairing your vehicle at Good News Garage in Burlington will not only help you and your car — BUT will also help a local family get back on their feet!

Our A.S.E certified techs are pros at helping you understand what repairs you need, why you need them and how much they should cost you. From simple oil changes and state inspections to full auto repairs, we service any make and model.

Proceeds from our garage service help to fund programs that assist your neighbors with transportation to and from work, medical appointments, daycare and other life needs. That's what Good News Garage is all about...quality repair service with a mission! Repair a car...Change a life!

Who we serve

The entire Vermont community!
