Volunteer Engagement Opportunities

Empowering People.
Strengthening Communities.
You can make a difference!

Do you have a talent, interest or expertise that you would like to share? Do you enjoy making a positive difference in the lives of others? If so, become a volunteer with Ascentria Care Alliance!

Our volunteers collaborate with us in productive and creative ways to strengthen our communities. Their work empowers our clients. Providing tutoring, pro bono professional services and skills training are just a few examples of how our volunteers help create real and lasting change in others.

Ascentria staff and the people that we serve truly appreciate and value our volunteers! Our volunteers enjoy meeting new people and making new friends. They find their work to be interesting and tremendously rewarding. Many of our volunteers have shared with us that making a positive impact on the well-being of others is life changing and leaves them feeling personally fulfilled.

There are a variety of volunteer opportunities at Ascentria Care Alliance locations throughout New England. You can choose to volunteer with a group, as an individual, on an ongoing basis or just one-time. Check out our complete list at ascentria.org/volunteer to identify how you can partner with us to strengthen communities and empower individuals to respond to life’s challenges.
